FORGOTTEN SOLDIER
June 29, 2019—March 22, 2020
American Revolution Museum at Yorktown, Virginia
Historyisfun.org

Throughout the American Revolution, African Americans refused to be mere bystanders. This special exhibition invites you to see the American Revolution in a new light to uncover little-known stories of African-American soldiers during the war. Through interactive experiences, artifacts and compelling art displays, including a new contemporary work by nationally acclaimed artist, Titus Kaphar, discover forgotten stories of soldiers who took part in the American cause fore a free and independent nation or took up arms for British forces in hopes of obtaining their own freedom.

Sunday, June 30th, the **Youth Choir** will be singing at the **Walden House** from **9-9:45 a.m.**

As you travel this summer, **please remember to collect the shampoo, lotion, conditioner and soap that the hotels offer** to give to our **Youth Mission** so they can put them in the **gift bags** for the **homeless at Christmas**.
