## Convention Launches Relief Website [www.GBSCrelief.org](http://www.GBSCrelief.org)

The General Baptist State Convention of North Carolina, Inc. has launched a new website designed to allow our Baptist family and friends to involve themselves with disaster relief efforts on-going in the wake of Hurricane Francine.

The website emphasizes three primary functions: pray, serve, give. A call to prayer is a primary feature of the website. It is designed to be a constant reminder of our need to keep those water-affected families and communities in our prayers.

Opportunities for service are promoted on the website. Under this link, visitors will see ongoing work in various

communities across the state. You will discover opportunities to volunteer and what to give to support the community. You may book online an appointment to

volunteer.

Finally, the website provides an opportunity for persons to make donations to support the work of the GBSCNC as it relates to disaster relief.

## HQ Encourages Churches to Pre-Register

Pre-registration for the 151st Annual Session ends on October 15. The Baptist Headquarters is making a special appeal to Churches to pre-register for the upcoming Annual Session.

“Pre-registration is a real life-saver for us,” says Reverend Haywood T. Gray, Executive

Secretary-Treasurer. “Pre-registrations makes the registration lines shorter at the session, provides for quick pick-up of registration material, and helps not to overwhelm our small Headquarters staff.”

There are several ways to pre-register:

1. Prepare form and mail along

with check to Baptist Headquarters.

2. Prepare form and fax or e-mail to HQ and follow-up with credit card by phone payment.
3. Come by Baptist Headquarters with form and check.
